

2018 Taylor Sauer Memorial SOFTBALL TOURNAMENT

This tournament is in memory of our daughter, Taylor Sauer. She was a promising graduate of Marsing High School who was attending Utah State University. On January 14, 2012, she made the decision to text and drive and was killed instantly in an automobile accident. Her final post read, "Driving and Facebooking is not safe". As a family, we want to spread the message to PUT IT DOWN so others don't have to live with such heartbreak.

We miss Taylor very much and know that others can learn from the bad decision she made. As a family, we sponsor a memorial scholarship in her name that is awarded to a qualified senior at Marsing High School & Homedale High School. We also sponsor a scholarship in her name that is awarded at the Owyhee County Fair since Taylor was very active in 4H and FFA. Our final scholarship is awarded at her Memorial Softball Tournament.

As a family, we are trying to educate others by presenting to high schools, church groups and businesses about the dangers of texting and driving. All of her scholarships and presentations are funded by this tournament. A small presentation will be given during the lunch break of her tournament.

We appreciate your support and hope to see you there.
