The Melba School District is planning to operate a Driver Education Program in the fall (November 1st) and in the spring (Approximately: February 20th). Anyone under the age of 17 who is applying for a driver's license must complete a driver training class and a supervised driving period for a minimum period of six months. Students must be 14½ years of age before the class starts and cannot have reached their 19th birthday before the class begins. Students may not apply for a driver's license until their 15th birthday.

The Driver Training course includes 30 hours in a classroom, six hours of observing other students driving, and six hours actual driving experience over a minimum 30-day period. Students applying for this class will be selected with the oldest students having first choice for the class and students attending Melba Schools assigned before students attending other schools. Students must attend all classes and assigned driving times. **Make-ups, if available, are an additional cost.** Students and a Parent/Guardian are required to attend an information Meeting **October 23rd 7:00 p.m. in Mr Dickard's classroom.** Attendance is Mandatory – no exceptions. If you not able to attend your student will be not be enrolled into the fall session of Driver's Education.

The class fee is \$250.00 with payment due in full prior to the first day of class. **Do not obtain your Driver's Training permit until you have been accepted into the program.** Upon completing Driver's Education, you will need to take a written test at the Driver's License Office and pass a skills test.

If you are planning to take the fall Driver Training Course, please complete the following information request and return it to the High School Office or District Office before **(October 17th)**. You will be notified if you are accepted into the class and your registration fee will be due at that time.

Tentative Dates: 1st Session to start (November 1st) with class time 6-7:30 a.m. and driving times to be determined. 2nd Session to start date to be determined and class and driving times also to be determined.

If you have any questions, please call Jackie Engle at (208) 495-1141 Ext 1086 or contact her by email at jjengle@melbaschools.org or Cory Dickard by email at cdickard@melbaschools.org.
